250 Years of Logging: Timber • Tradition • Tomorrow

In celebration of America's 250th anniversary, we are proud to announce that the 2026 American Loggers Council (ALC) Annual Conference – “250 Years of Logging: Timber, Tradition, Tomorrow” – will be held Monday, September 28 through Thursday, October 1, 2026, in Colonial Williamsburg, Virginia.

Each year, this national gathering draws 300+ timber industry professionals from across the country – providing sponsors with an unmatched opportunity to connect with ALC's members, partners, and stakeholders from across the country in one location.

We invite you to support the conference through targeted **event sponsorship** opportunities and/or as an overall **conference sponsor**. Our sponsorship packages are designed to recognize and elevate your company throughout the meeting – from printed materials and signage to digital outreach and vendor engagement opportunities.

As valued partners, Platinum and Gold Associate Members (\$15,000+) are recognized as official conference sponsors and are also invited to further support this year's event through targeted event sponsorships.

All 2026 Annual Conference and Event Sponsors Receive:

- ★ **Complimentary Vendor Table**
Advance reservation required; availability is first come, first served
- ★ **Invitation to add items to registration gift bags**
Opportunity to provide branded items for 300 attendee gift bags
- ★ **Sponsor Recognition Across Multiple Platforms**
Recognition will be aligned with sponsorship level and includes:
 - Inclusion in conference sponsorship video display
 - Event signage and printed materials
 - Verbal recognition throughout conference events
 - Mentioned in the “InkSlinger” conference wrap-up press release
